	Many thanks to the landowner and all the observers without whom the trials could not take place

	My sincere apologies for any mis-spelled names																																
	"Unfortunately due to the weather and lack of observers, one Observer's Check Sheet was unreadable (it had been run over) therefore, only nine sections were used. These may be out of order because some sheets were not numbered. Could all riders please ensure that they fit a Number Board to their bikes (they only cost approx £10). If the observer can't read your number they can't record your score - don't complain to us, it's your fault"
