Many thanks to all of the observers and the land owners for their valuable assistance and support in making this event happen,
 Unfortunately we had a visit from the police due to a member of the public claiming to be verbally abused by two of the riders, if anyone has any information regarding the alleged incident then please get in touch with me on 07854836526 so I can get a full understanding of what happened. I am waiting for the police to contact me for any further action.
