Today's trial would not have been possible without the generous offer from Westmorland Motor Club for us to use their land at Lindale in the south of the county. As well as preventing us from having to cancel just another one of our trials, it more importantly meant that another Centre Championship round was saved! And to top it off, the sun shone all day.

Thank you to Team Gaskell, namely Richard, Stuart, Dan, Jack and Lewis for marking out a n excellent trial.

Thank you to all our observers and thanks to Martha for turning up to provide our catering.

The proceeds from today's event will be donated towards the rebuilding of the bridge at Glenridding that provides access to Gillside Campsite where we should have held our trial today.

Thank you to everyone who supported us today and entered our event. We hope that you had a good day? Our next event in July, is an evening trial suitable for beginners. Details will be posted nearer the time.
